

Get involved with your School Organizational Team!

As part of the reorganization of the Clark County School District, Newton will form a School Organizational Team that includes three parents and legal guardians. Members will be elected by a vote of **all** parents and legal guardians of a student enrolled at the local school precinct. Your input is important to the success of our school and students. Please take time to consider how you can be involved in this process and make your voice heard at our school!

What is the role of the School Organizational Team?

- Provide input on the school performance plan and budget.
- Provide continued advice to the principal in carrying out the school plan.
- Assist with the selection of the next principal when there is a vacancy.

What are the requirements of Team members?

- Serve on the team through September 30, 2023, unless your child no longer attends the school.
- Attend meetings at least once per month, outside of school hours.
- Make decisions with the whole school population in mind.
- Work collaboratively and attempt to reach consensus with the team.

An organizational team and its members who are not employees of the large school district are immune from liability for civil damages as a result of an act or omission in performing any of the duties of the organizational team as set forth in sections 24 to 29, inclusive, of AB469
